

Contractor Consultation

Service Order and Authorization | Home Safety Solutions

What this service includes

Fee: \$150

- One Modification Prescription: a contractor-ready document listing each recommended modification with room-by-room specifications, measurements, priorities, and photo references.
- One follow-up call (up to 30 minutes) with the contractor you choose, to review the specifications and answer questions before quoting.

Additional contractor calls or revised prescriptions are billed separately. The Modification Prescription contains no diagnoses, medications, or health history.

Client information

Client name	
Property address	
Scheduling contact (name, phone)	
Access notes (gate code, pets, parking, HOA)	

Contractor selected by client

Company name	
Contact name	
Phone / email	
Florida license no.	

Authorization

I request the Contractor Consultation and authorize Home Safety Solutions to send the Modification Prescription to, and speak by phone with, the contractor named above about the specifications in it. I understand I choose my contractor, contract with them directly, and pay them directly, and that Home Safety Solutions accepts no referral fees or payments from contractors.

Scope of work

#	Room	Item	Specification	Priority	Photo
Ex.	Primary bath	Grab bar, shower back wall	24 in. horizontal, centered, top at 34 in. above finished floor, anchored into solid blocking	1	P-03

Priority key: 1 = complete before or immediately after the client comes home | 2 = within 30 days | 3 = planned improvement

Contractor requirements

- Quote each line item separately and follow these specifications exactly. Propose any alternative in writing before starting work.
- Pull all required permits. Electrical and plumbing work by licensed trades only.
- Provide before and after photos of each item to the client.
- The client contracts with and pays the contractor directly. Home Safety Solutions accepts no referral fees or payments from contractors.
